

## **PROGRAM OF EVENTS**

***THEME: "Searching for African Solutions to Human and Environmental Toxicological Challenges"***

**Venue: Faculty of Health Sciences, University of Buea, Cameroon**

|  |  |
|--|--|
| <b>Tuesday 31st May 2011</b>             | Short course I   |
|  |  |
| <b>Wednesday 1st June 2011</b>           | Short course II  |
|  | Registration and Placement of posters  |
|  |  |
| <b>Thursday 2<sup>nd</sup> June 2011</b> |  |
| 7.00-7.30                                | Registration   |
| 7.30 – 7.45                              | Welcome address by the President of CSTS/SETAC Coordinator                                 |
| 7.45 – 8.00                              | Opening address by the Vice Chancellor of University of Buea                               |
| 9.00 – 9.30                              | KEYNOTE LECTURE 1 (to be determined)   |
| 9.30 – 10.00                             | PLENARY LECTURE1(to be determined)   |
| 10.00 – 10.30                            | Coffee break and poster session  |
| 10.30 – 11.00                            | PLENARY LECTURE 2 (Environmental Toxicology: Prof, Dr, Andreas Viviana Waichhman (Brazil)) |
| 11.00 – 13.30                            | ORAL PRESENTATIONS (BREAK UP IN TWO CONCURRENT SESSIONS)                                   |
| 13.30 – 14.30                            | Lunch break  |
| 14.30 – 15.45                            | PLENARY LECTURES 3 (Pesticide Toxicology : Dr. Michiel Adriaan Daam, Portugal)             |
| 15.45 – 17.00                            | ORAL PRESENTATIONS (BREAK UP IN TWO CONCURRENT SESSIONS)                                   |
| 17.00 – 17.30                            | Coffee break and poster session  |
| 17.30 – 18.00                            | PLENARY LECTURE 4 (Analytical toxicology: Prof Mathew Muzi-Nindi, (South Africa)           |
| 18.00 – 18.30                            | Toxicology Trivia competition and results of both Trivia and poster competitions           |
| 18.30 – 19.00                            | Reports from plenary sessions/Discussions  |
|  |  |
| <b>Friday 3<sup>rd</sup> June 2011</b>   |  |
| 7.00-7.30                                |  |

Cameroon Society for Toxicological Sciences - NGO

2011 conference documents: program of events

|  |  |
|--|--|
|  | KEYNOTE LECTURE 2 (to be determined)   |
| 7.30 – 7.45                              | PLENARY LECTURE 5 (to be determined)   |
| 7.45 – 8.00                              | Coffee break and poster session  |
| 9.00 – 9.30                              | PLENARY LECTURE 6(to be determined)  |
| 9.30 – 10.00                             | ORAL PRESENTATIONS (BREAK UP IN TWO CONCURRENT SESSIONS)                         |
| 10.00 – 10.30                            | Lunch break  |
| 10.30 – 11.00                            | PLENARY LECTURES 7 (to be determined)  |
| 11.00 – 13.30                            | ORAL PRESENTATIONS (BREAK UP IN TWO CONCURRENT SESSIONS)                         |
| 13.30 – 14.30                            | Coffee break and poster session  |
| 14.30 – 15.45                            | PLENARY LECTURE 8 (to be determined)   |
| 15.45 – 17.00                            | Toxicology Trivia competition and results of both Trivia and poster competitions |
| 17.00 – 17.30                            | Reports from plenary sessions/Discussions  |
| 17.30 – 18.00                            | Closing ceremony   |
| 18.00 – 18.30                            | Housekeeping – CSTS/SETAC members ONLY   |
|  |  |
| <b>Saturday 4<sup>th</sup> June 2010</b> | <b>Excursion</b>   |

## Short courses

### Day 1

#### *I. General Toxicology*

Concepts and Terminologies (Prof. Bashir, Sudan)

Toxic agents (Prof Bashir, Sudan)

Routes of exposures and toxicity rating (Dr. Asongalem, Cameroon)

Toxicokinetics (Prof. Bashir, Sudan)

Dose-Effect relationships (Asongalem, Cameroon)

#### *II Systemic Toxicology*

Neurotoxicology (to be determined)

Nephrotoxicology (to be determined)

Hepatotoxicology (to be determined)

Reproductive toxicology (Dr. Asongalem EA, Cameroon)

Respiratory toxicology (to be determined)

### Day II

#### I

Toxicology of Heavy metals (Prof. Orish, Nigeria)

Toxicology of social ‘poisons’ (Dr. Nde Peter Fon, Cameroon)

Toxicology of Pesticides (to be determined)

Toxicology of plants (to be determined)

Toxicology plastics (to be determined)

## II Applications of Toxicology

Clinical toxicology (Prof. Orish, Nigeria)

Forensic toxicology (to be determined)

Industrial toxicology (to be determined)

Veterinary toxicology (to be determined)
